Dear Member,

I am pleased to inform you that **The Sugar Technologists' Association of India (STAI)** is organizing an All India one day seminar on “**Emerging trends in use of Stainless Steel to combat corrosion in Sugar and Allied Industries**” on 4th March 2017 at Hotel Radisson Blu, Kharadi Nagar Bypass Road, Kharadi, Pune.

1. **Seminar Details** – Corrosion is a serious problem faced by the sugar and allied industries resulting in costly repairs/replacements of equipment/components year after year.
