Date: 06.09.2017

**Subject : All India Seminar on "Energy Efficient Technologies – Decaners in Sugar Mills, Refineries and Distilleries" 6th Oct 2017, Hotel Sayaji, Kolhapur, Maharashtra**

Dear Member,

1. We are pleased to inform you that **The Sugar Technologists' Association of India** is holding an All India one day seminar in association with **Alfa Laval India Ltd.** on "**Energy Efficient Technologies – Decaners in Sugar Mills, Refineries and Distilleries**" on 6th October 2017 at Hotel Sayaji, Kolhapur. The presentations will be made on following technologies :
  - a. New generation Plate type heat exchanger designed for all type of fluid.
  - b. Removing non-sugar impurities from sugarcane juice is an integral part of sugar production and this can be done by Decanter system without use of bagasse.
  - c. Sugar de-sweetening from scum in sugar refineries can be done more efficiently by Decanter system
  - d. As per CPCB guidelines, all distilleries should run on ZLD (Zero liquid discharge) system i.e. incineration of Slop. The sludge coming with molasses can be separated out from wash using Decanter system for efficient operation of slop evaporator & boiler.
2. In the past decade due to rising production cost and low realizations there has been a paradigm shift on the need of having energy efficient technologies. Decanter system is an energy efficient technology to keep the operations viable and sustainable. To discuss the advances in decanter system technologies **STAI in association with Alfa Laval India Ltd.**, are organizing the above seminar as per following programme :

**Date : 6th October 2017**

**Time : 1430 – 1930 hrs followed by Dinner**

**Venue : Hotel Sayaji, 2104/15, E Ward, Old Pune - Bangalore Hwy,  
Kawala Naka, Kolhapur, Maharashtra 416005**

3. Senior Industry experts, Scientists, Technology Providers, Consultants and Academicians have been invited to deliberate on the above topic.
4. The seminar will be of great relevance to the CEOs, HODs, Managers and other associated professionals of sugar and allied industries.
5. I am writing to invite you to participate in this seminar. You may also consider nominating other professionals from your organization to benefit from this important seminar. Participation confirmation may please be e-mailed through attached registration form.

We look forward to your kind confirmation and valued participation.

Thanking you.

Yours faithfully,

**SANJAY AWASTHI**  
President

**REGISTRATION FORM**

**All India Seminar on “Energy Efficient Technologies – Decanters  
in Sugar Mills, Refineries and Distilleries”**

6th October 2017, Hotel Sayaji, Kolhapur

**Nominations**

S. No.	Name of the Participants	Organization	Designation	E-mail/Mobile

Invoice Address and GSTIN of the Nominee Organization:.....

**Delegate Fee:**

- Registration fee for STAI Members : Rs. 1000/-  
GST : Rs. 180/- = Rs. 1180/-
- Registration fee for Non-members : Rs. 1500/-  
GST : Rs. 270/- = Rs. 1770/-
