

8th IAPSIT International Sugar Conference ISC-2024 & Sugarcon 2024

Building a Resilient and Sustainable Global Sugar & Bio-energy Industry: Transforming ASEAN Sugar Sector

16-19 September, 2024

Venue : ICISE, Quy Nhon, Binh Dinh, Vietnam

About the Conference

The International Association of Professionals in Sugar and Integrated Technologies (IAPSIT) and Society for Sugar Research & Promotion (SSRP) are organizing 8th International Sugar Conference (ISC 2024) on *Building a Resilient and Sustainable Global Sugar & Bio-energy Industry: Transforming ASEAN Sugar Sector* in Quy Nhon, Vietnam. The ISC 2024 will provide a grand opportunity and a vibrant platform with a convergence of all concerned stakeholders from across the globe. The conference will be attended by researchers, technologists, managers, industry officials, bioenergy experts, manufacturers, suppliers, policy makers and progressive farmers from over 25 countries who will share their views and experiences on various initiatives for profitable and sustainable growth of sugar & integrated industries across the globe, especially in ASEAN countries. The ISC-2024 will stress upon building a resilient and sustainable global sugar & bio-energy Industry and will focus on reviving the sugar sector in ASEAN countries through improved technologies, diversification and better marketing opportunities.

Technical Panorama of ISC-2024

- New & Green technologies to enhance production, and production efficiency of Sugarcane and other sugar crops viz. Sugar beet, Palms, Stevia, Maple, Sweet sorghum, Sweet maize; R&D Imperatives for higher cane sugar/ beet sugar productivity under changing climatic scenario,
- Industrial advancement in processing, product development and diversification, resource and energy management in sugar and its integrated industries, Green energy alternatives & bio-refinery models, bio-based & Value added products, sugarcane & sugar crops based cottage industries,
- Policy issues and initiatives for sustainable growth and development of sugar and integrated industries across the Globe; sugar cane & sugar marketing and value chain management. Government initiatives and policies to realign sugar sector in South East Asia & ASEAN countries, fair trade sugar, WTO and trade of sugar , sugar and health
- ASEAN Sugar Alliance- Addressing the production, modernization and marketing needs of sugar industry of ASEAN countries viz. Cambodia, Indonesia, *Malaysia*, Myanmar, the Philippines, Thailand and Vietnam; R & D to augment sugar production
